# Strength and reliability - We have the power to deliver.

Danbrit Shipping Ltd. combine highly specialised equipment with efficient logistical systems coupled with many years experience to provide a range of reliable and responsive services.

- **Project Cargoes**

Abnormal is normal to us! We offer Heavy Lift tonnage and Heavy Lift Cranes, up to 1000 mt lifts !

- **Chartering**

We ship cargoes of all shapes and sizes globally. From Coaster to Panamax, we have the tonnage to fit your cargo.

- **Ship's Agency**

We span the Humber and the United Kingdom, offering an efficient agency service which ensures a quick and smooth turn around for your cargo or vessel.

- **Terminals/Ports - Direct Involvement !**

Through our associated company we own two Humbers Ports, including Covered Steel and Container Terminals. We also offer competitive Stevedoring rates without a compromise on quality.

- **Ship Owning/Management**

We have a fleet of modern box type low aircraft vessels available to move cargoes to and from the most restrictive Ports.

- **Freight Forwarding -**

We offer a complete Freight Forwarding service to and from any worldwide destination, by air, sea or land.No job is too big.

Danbrit, are fully accredited to ISO 9002, members of BIMCO, Copenhagen. The Institute of Chartered Shipbrokers, London and have an 'Investors in People' accreditation in recognition of the consistently high level of training and development within the industry.
